MESSAGE FROM THE CHAIRMAN

“ A multi business entity like ours has the ability to withstand business specific downturns and can develop individual strategies for each segment. ”

Dear shareholders,

I am delighted to present before you the overall performance and the strategic directions of your company. As you all know, 2015-16 was an excellent year for your company. A growth of 40% in consolidated PAT in such a weak global economic scenario only reaffirms our belief in our strategy and execution capabilities.

As an organisation, we stuck to the basics of driving a high performance culture through people involvement. On our part, as always we tried to foster an environment where everyone felt highly motivated and empowered to deliver outstanding results. I take this opportunity of expressing my gratitude to all my colleagues in SRF who worked tirelessly to generate high value for all our stakeholders.

A multi business entity like ours has the ability to withstand business specific downturns and can develop individual strategies for each segment. This time, the turnaround of our global operations especially the plants under the packaging films business contributed significantly to the overall performance. In our Chemical Business, the transition of the *Dymel* acquisition went ahead smoothly. Using our distribution strength in the domestic market, we launched new products as well. As a countermeasure to the slowdown in the agrochemical segment, we diligently worked and succeeded in enhancing our presence in the pharma segment for our specialty chemicals business.

Our plants for packaging films ran at full capacity utilisation despite over supply in the market. The nylon tyre cord fabrics (NTCF) business continued to retain market leadership in the domestic market even as the demand remained subdued. The performance of NTCF assumed a special significance as one of the major plants at Manali remained inoperative for almost three months due to floods in Chennai during December 2015.

What is more reassuring about your company's sustainable growth prospect is that its balance sheet looks healthy and financial ratios indicate steady business performance. In sync with our strategy to transform SRF into a technology & innovation oriented company, we made investments of around ₹ 3200 crores across all business segments in the last five years and more than 50% of these investments were made in the chemicals business alone. Our future plans also reiterate our commitment to continue to grow in the space of chemicals. We have a plan to spend around ₹ 3500 crores in the next four years and around 70% of the investments are earmarked for the chemicals business.

Our unrelenting focus on enhancing our competencies and capabilities in the space of chemicals has manifested in many ways. Recently, your company announced its plan to set up a pilot plant to manufacture the next generation refrigerant, HFO

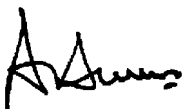

1234yf with indigenous technology, a move that will make SRF the first technology developer outside US and Europe to do so. Your company has also introduced several new processes and technologies which are new to the world, thereby becoming a critical supplier of intermediates for the innovators in the field of pharma and agro chemicals. And, our R&D efforts has helped your company file more than 80 process patents so far. The list goes on.

It's indeed a matter of pride that SRF is today recognised as a world class chemical company driven by its cutting edge R&D capabilities. That being said, we will also continue to explore opportunities for growth and expansion in the packaging films business, which despite being a cyclical business, makes a significant contribution to the top line and the bottom line besides de-risking our businesses. What gives your company an edge over other players in the space of packaging films is its persistent focus on maximising value-added products along with a relentless focus on cost efficiencies, which makes SRF a preferred supplier for customers in the organised segment. While NTCF will remain a significant product in SRF for the next few years, we will continue to enlarge the portfolio of other product segments such as coated fabrics and laminated fabrics under the technical textiles business.

I am sure our colleagues in SRF will not leave any stone unturned to make SRF a world class organisation. But I am also aware that such goals in isolation mean nothing unless we create value for the society and ensure our reputation of impeccable governance. Building on our founders' legacy of social consciousness, we, through SRF Foundation, implemented several programmes to enrich the lives of thousands of poor students under our educational and skill development initiatives and improved the livelihood of more than 6000 families under our Natural Resource Management programmes. We are duty bound to contribute to the community at large.

Let me assure you that we will continue to build, protect and strengthen a value system in your company that you will remain proud of and which will deliver results that meet your expectations.

With kind regards,

Arun Bharat Ram

8. **Voting through electronic means:** Pursuant to Section 108 of the Companies Act, 2013, read with the Companies (Management & Administration) Rules, 2014, as amended and Regulation 44 of the Listing Regulations the Company is pleased to provide remote e-voting facility to the members to exercise their right to vote by electronic means.
 - i) The Company has fixed Friday, July 29, 2016, as a cut-off date to record the entitlement of the shareholders to cast their vote electronically at the 45th Annual General Meeting (AGM) by electronic means under the Companies Act, 2013

and rules thereunder. Consequently the same cut-off date i.e. Friday, July 29, 2016 would record entitlement of the shareholders, who do not cast their vote electronically, to cast their vote at the 45th AGM on Monday, **August 8, 2016**.

- ii) The remote e-voting period commences on Friday, August 5, 2016 (10.00 AM IST) and ends on Sunday, August 7, 2016 (5:00 P.M. IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Friday, July 29, 2016, may cast their votes electronically. The remote e-voting module shall be disabled for voting thereafter. Once the vote on a resolution(s) is cast by the Member, the Member shall not be allowed to change it subsequently or cast the vote again.
- iii) A person who is not a Member as on the cut-off date should treat this Notice for information purposes only.
- iv) The members who have cast their votes through remote e-voting facility may also attend the general meeting but shall not be entitled to cast their vote again. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- v) The Company has appointed M/s Arvind Kohli & Associates, Company Secretaries to act as the Scrutinizer, for conducting the scrutiny of the votes cast in a fair and transparent manner.
- vi) The Members desiring to vote through remote e-voting refer to the detailed procedure given hereinafter.

Procedure for remote e-voting

Annexure VIII to the Board's Report

A. Conservation of Energy

(i) Steps taken or impact on conservation of energy

a) Technical Textiles Business, Kashipur

- Saving of 30 Tons of FO/annum by installing oxygen gas analyzer to optimize combustion in thermic fluid heater & centrifugal FO cleaning system to minimize interruption & clinker formation.
- Saving of 30650 Kwh/annum by installing VFD in chilled water circulation pump. VFD eliminates throttling losses & necessity to operate additional pump during peak loads.
- Saving of 25920 Kwh/annum by replacing damper controlled excess air with VFD controlled FD fan in thermic fluid heater modulation system.
- Saving of 112320 Kwh/annum through 40 KW heat load eradication from the fuel heating for TFH by replacing electric heating with thermic fluid heating.

b) Technical Textiles Business, Manali

- Revamping of biomass boiler bag filter assembly to improve biomass boiler performance and to reduce furnace oil consumption by 105MT in 3 months.
- Installation of efficiency monitoring and control system in biomass boiler to improve evaporation ratio of boiler – Husk consumption reduction by 206MT in 2 months.
- Saving of 30000 Kwh/month by introduction of close circuit for 3B air washer system by installing heat exchanger.
- Saving of 6250 Kwh/annum by installing auto doors in textile hall.
- Saving of 57684 Kwh/annum by installing improved efficiency motors (IE3) in DYT in MTP:1.
- Saving of 25450 Kwh/annum by installing variable speed drive in process water pump with closed loop pressure feedback.
- Saving of 11052 Kwh/annum by replacement of TL 8 fluorescent lamp fitting into LED lights in textile and AQ labs.
- Saving of 6200 Kwh/annum by installing presence detector in automatic doors in dipping section.

c) Technical Textiles Business, Viralimalai

- Savings of 648 units/month by replacing the existing fluorescent type light fitting with energy efficient LED light fitting which resulted in cost savings of ₹ 0.0051 crores per annum.

- b) Savings of 950 units/month by installation of auto switching-off for the PGW loom main motor during machine idle condition which resulted in cost savings of ₹ 0.0075 crores per annum.
- c) Savings of 580 units/month by optimization of Dornier loom main motor capacity from 6KW to 3.7 KW which resulted in cost savings of ₹ 0.0045 crores per annum.

d) Technical Textiles Business, Gwalior

- a) Saving in consumption of coal of 547 MT/annum due to improved coal boiler efficiency (coal consumption/kg of steam generation was reduced from 0.217 to 0.209 kg/kg steam).
- b) Saving in consumption of furnace oil of 263 KL/annum by reduction in furnace oil consumption during peak loading at oil fired boiler.
- c) Power conservation
 - Saving of 58000 Kwh/annum by reduction in refrigeration through reducing air conditioning losses
 - Saving of 16000 Kwh/annum by replacement of air handling units(AHU) with energy efficient blower/AHU
 - Saving of 54000 Kwh/annum by installation of inverter at cooling tower fans.
 - Saving of 50000 Kwh/annum through providing agitator and blower at water treatment plant replacing the compressed air usage
 - Saving of ₹ 0.81 crores/annum through power trading from IEX.
 - Saving of ₹ 0.172 crores kwh/annum by modernization of textile process

e) Technical Textiles Business, Gummidipoondi

- a) Saving of 81000 Kwh/annum of power through optimization of LT air compressors operation resulting in saving of ₹ 0.053 crores.
- b) Saving of 72219 Kwh/annum of power through optimization of chiller operation resulting in saving of ₹ 0.0473 crores.
- c) Saving of 28944 Kwh/annum by replacing the DM water pump with lower capacity energy efficient pump resulting in saving of ₹ 0.019 crores.
- d) Saving of 69767 Kwh/annum by stopping one no T/UP return air fan resulting in saving of ₹ 0.0456 crores.
- e) Saving of ₹ 0.0332 crores by utilizing the furnace oil sludge in boiler.
- f) Saving of ₹ 2.052 crores by operating the DG sets for power generation by use of furnace oil during the period of drop in the price of furnace oil.
- g) Saving of 151000 Kwh/annum from implementation of LED lights resulting in saving of ₹ 0.0986 crores.

f) Packaging Films Business, Indore

- a) Saving of 588000 Kwh/annum by converting oil tempering units (3 Nos) from electrical heating to thermic fluid heating.
- b) Saving of 168000 Kwh/annum by replacing of cutter motor of 200 KW with 160 KW.
- c) Saving of 92330 Kwh/annum by modification in holography machine embossing sections.
- d) Saving of 16352 Kwh/annum by replacing compact fluorescent light (CFL) with light emitting diode (LED) in different sections of plant.

g) Packaging Films Business, Kashipur

- a) Saving of 432000 Kwh/annum by optimizing of chiller and air handling unit in winter season.
- b) Saving of 109728 Kwh/annum by stopping transverse direction orientor exhaust blower.
- c) Saving of 35424 Kwh/annum by replacing secondary slitter trim blower motor from 7.5 KW to 4.2 KW.
- d) Saving of 25920 Kwh/annum by optimizing of dryer and crystallizer blower at 45-48 Hz from 50 Hz.
- e) Saving of 18000 Kwh/annum by providing individual switches of plant lighting.

- f) Saving of 17280 Kwh/annum by providing level switch at feeding hopper.
- g) Saving of 10368 Kwh/annum by replacing motor of Trim cutter from 18 KW to 15 KW.

h) Chemicals Business, Bhiwadi

- a) Saving of 75 kL HSD by installing FO burners in HOG-2&3 of P2-P3 plants.
- b) Saving of 26000 Kwh/month by installing Variable frequency drives.
- c) Saving of 460000 Kwh/annum by Screw compressor installation in CMS Plant.
- d) Saving of 69000 Kwh/annum by installing LED lights.
- e) Saving of 165000 Kwh/annum by changing designs of equipment in P10 Plant.
- f) Saving of 775 MT/annum by recovering steam trap condensate.

i) Chemicals Business, Dahej

- a) Saving of 143000 units/annum due to change in conventional lights to low energy LED lights.
- b) Saving of 42000 units/annum due to cooling tower fan automation:

j) Engineering Plastics Business, Pantnagar

- a) Savings of 5,38,915 Kwh/annum by replacing old conventional compressor of 600 CFM.

ii) the steps taken by the company for utilizing alternate sources of energy

a) Technical Textiles Business, Gummidipoondi

- a) During FY 15-16, 19340000 Kwh was purchased from the windmills owned by Vaayu Renewable Energy (Tapti) Pvt. Ltd.

iii) the capital investment on energy conservation equipment

a) Technical Textiles Business, Manali

(B) Technology Absorption

- i) The efforts made towards technology absorption and the benefits derived like product improvement, cost reduction, product development or import substitution.

The R&D team of Chemicals Business is engaged in the development of new products and process technologies for the Specialty Chemicals Businesses. The key focus has been on development of intermediates for new Active Ingredients in Pharmaceutical & Agrochemical industries.

Utilizing synergetic efforts of chemists and engineers in the R&D facilities at Bhiwadi and Dahej and a state-of-the-art Pilot Plant facility, the endeavour is to continuously improve SRF's capabilities for process development, scale-up and commercialization of new chemistries. The technology team caters to increasingly complex customer requirements and shrinking timelines by continually improving people capability and in-depth understanding of chemical technologies, focusing on innovation, quality and productivity as the key drivers of success.

In order to develop new products and have a robust product funnel, the business will continue to invest in people and processes that drive R&D, and in production assets that help commercialise technology that drives its growth. SRF is now a trusted and preferred supplier to major pharmaceutical and agrochemical companies in India and abroad, and is recognized as a developer of quality processes based on patented technology.

The R&D centre of Technical Textiles Business is located at Manali, Chennai. Equipped with state-of-the-art Pilot facilities and sophisticated testing laboratories for evaluating Polymers, Fibers and Coated fabrics, R&D centre aims at maximising competitiveness of Technical Textiles Business through market oriented new product/technology development.

Many products have been developed by the R&D centre last year, out of which 4 Coated fabric variants have been commercialized along with 1 new Nylon-6 Polymer variant for Engineering Plastics application and a Polyester fabric for Tyre cords.

Apart from this, the R&D centre is also engaged with leading Academic and Research Institutes in India and abroad for various research projects.

Located in Manali, Chennai, the Research and Development Centre of Engineering Plastics Business has enabled the business to grow successfully by developing niche new products and leveraging our in-house technology and expertise. The Company is committed to strengthening our development and continue to invest in enhancing capabilities keeping the future market requirements in mind and strengthening the relationship with large Indian and global companies. The Company has also engaged global consultants towards this and developing new special products which will help the Company to grow faster in future.

- (ii) During 2014-15, the Company had acquired global DuPont HFC 134a Pharma Business with Brand name DYMELE from E. I. du Pont de Nemours and Company and received the technology and knowhow for setting up its own 'current Good Manufacturing Practices' (cGMP) facility for manufacturing HFC 134a Pharma grade in Dahej (Gujarat). The process of technology absorption is currently underway.
- (iii) the expenditure incurred on Research & Development

	Year ended March 31, 2016 (₹ in crores)	Year ended March 31, 2015 (₹ in crores)

MANAGEMENT DISCUSSION AND ANALYSIS

SRF management in the following pages provides its own perspective on the operating and financial performance of the company during 2015-16 and an outlook of the business performance in the coming years.

Businesses

A multi-business entity SRF is today well recognised and respected for its R&D capabilities globally, especially in the niche domain of Chemicals. Building on the strength of its diversified business portfolio, SRF is well on its way to transforming itself into a technology & innovation oriented company. It remains the market leader for most of its products domestically and continues to enjoy significant global presence in some of its businesses, with operations in three countries namely India, Thailand and South Africa and commercial interests in more than 75 countries. The company classifies its main businesses as Technical Textiles Business (TTB), Chemicals & Polymers Business (CPB) and Packaging Films Business (PFB).

Technical Textiles Business

In spite of the soft demand situation across all segments of Technical Textiles Business (TTB) and continuing volatility in commodity prices the business as a whole performed reasonably well in a dynamic competitive environment.

Tyre Cord Fabrics

The Nylon Tyre Cord segment managed to retain its leading market position with a stable market share despite the demand remaining soft and the radialisation in the bus & truck segment reaching around 35% during 2015-16. Competition landscape

has changed significantly with the domestic competition increasing on account of settling down of a new entrant. Flooding of the Manali Plant in December 2015 affected the fortunes of the business significantly for three months. With various countermeasures, the company prevented major production loss for fully dependent customers. The business is back on track with the plant running at full capacity.

The Polyester Yarn & Fabrics segment turned around with its new focus on the yarn business for diversified industrial applications. The market situation remained extremely competitive with Chinese aggression reaching its nadir. It appears that the bottom has been reached and the value chain may stabilise soon.

Belting Fabrics

In the current global economic situation, the company changed its strategy for this business segment by targeting domestic markets and expanding its range of value-added products. This, coupled with a reduction in turnaround time for orders, enabled it to sustain its performance in India. However, fewer projects and soft commodity prices led to severe underutilisation of capacities in the end use segment, thereby leading to a softness in demand.

The performance of the South African subsidiary was adversely affected during the year primarily due to weak domestic and Latin American market and extremely aggressive competition from China. As a result, the overall belt industry operated below 50% level capacity utilisation.

Coated & Laminated Fabrics

The Laminated Fabrics segment performed satisfactorily in a tough competitive environment. Movement towards static covers and fabricated articles would help keep ahead of the industry.

The Coated Fabrics segment also turned around during the year and kept its head above water in the off season as well. Its ongoing focus on becoming a 'Solution Provider' along with the branding initiatives is aimed at positioning the business as a 'value-added entity' thus enhancing the prospect of greater profitability.

Industrial Yarn

SRF continues to hold its position in different applications of Industrial Yarns with stable performance.

Outlook

Nylon Tyre Cord Fabrics (NTCF) consumption in India is likely to remain flat in 2016-17 in spite of increasing radialisation. Entry of a new player may lead to a reduction in margins. The company, however, expects to maintain its share.

The fortunes of the Laminated Fabrics segment are likely to be similar in 2016-17 with aggressive marketing of hot lamination products. In the Coated Fabrics segment, the domestic market share is expected to improve through appointment of new channel partners and reduced turnaround time for fabricated articles.

The prospect of a resolution of the long pending issues with regard to mining & infrastructure projects, in particular, augurs well for Belting Fabrics which are essentially used as reinforcement in conveyor belts. The company hopes to be in a position to leverage the potential demand growth through additional sales.

Chemicals and Polymers Business

The Chemicals & Polymers Business comprises three different product lines namely Fluorochemicals, Specialty Chemicals and Engineering Plastics.

Fluorochemicals

The Fluorochemicals Business (FCB) derives its revenue from the sale of fluorine based refrigerants, propellants and solvents. With strategically located manufacturing operations at Bhiwadi in Rajasthan and at Dahej in Gujarat, the business is all set to

continue on the growth path. The commissioning of HFC 134a Pharma facility in Dahej and HFC 32 manufacturing facility in Bhiwadi will provide greater momentum to the growth. The company successfully transitioned *Dymel* business (HFC 134a pharma) in the first year post acquisition from **DuPont**. With the recent announcement to set up a pilot plant to manufacture next generation refrigerant, HFO 1234yf, SRF has demonstrated its capability as a refrigerant player at the world stage. The path breaking initiative will make SRF the first company outside US and Europe to develop and manufacture new generation HFO 1234yf using indigenous technology.

Refrigerants

SRF is the domestic market leader in the fluorinated refrigerant space. Exports to more than 60 countries worldwide account for a significant portion of the overall revenue.

The refrigerant product range includes HCFC 22, HFC 134a, HFC 32 and 4'Series blends (HFC 404A, HFC 407C and HFC 410A). The business serves reputed OEMs manufacturing air-conditioners, refrigerators, chillers and automobiles with the strategic intent of leveraging on our distribution strength.

Cheap exports from China continued to affect the international markets. The demand for refrigerants continued on the growth path during 2015-16 on the back of strong sales of air-conditioners and growth in automobiles with key indicators signalling continued economic growth next year. Thus the medium-term outlook for refrigerants looks positive, especially for consumer durables like air-conditioners and refrigerators, as well as automobiles.

Solvents

SRF's main products in the chloromethanes space are Methylene Chloride and Chloroform. During the year, the company emerged as the market leader for its newly launched Trichloroethylene and Perchloroethylene solvents in India which are manufactured at the Dahej site. The products have been well accepted in more than 20 countries.

Outlook

In 2016-17, with overall sentiments in the market remaining positive, the business is expected to improve its performance through renewed focus on capacity utilisation, cost improvement and brand building. The business will focus on increasing its share of HFC 32 and HFC 134a globally apart from its ongoing efforts to pursue growth in the solvents business.

Specialty Chemicals

Building on its expertise in fluorine based products used in the agrochemical and pharmaceutical industries, SRF has also been developing non-fluorinated chemistries to bolster its growth. New specialty products are being identified for commercialisation.

The strength of R&D and Process Engineering has been substantially augmented, permitting simultaneous design and execution of multiple projects, with challenging timelines. The business is engaged with reputed domestic as well as global innovators for developing new products in its chosen markets.

Outlook

The business is expanding its horizons and the range of products offered. The business also continues to build on its reputation and credibility with global agrochemical and pharmaceutical majors and move towards higher value-added products. Sales growth in the agrochemicals market is likely to be muted in line with global trends. With new manufacturers from low cost countries entering a few of the more mature product lines, price erosion is being experienced. However, tightening of environmental norms may provide an upward cost pressure for such competition in the medium-term.

During the year the business capitalised two new production facilities for specialty intermediate products at Dahej. These will contribute to the revenue stream and business growth, going forward. The business continues to work on developing new products and it maintains a robust product funnel. To this end, the business will continue to invest in people and processes that drive R&D, as well as in production assets that commercialise technology and result in growth.

The company continues to remain optimistic about the future potential and prospects of the Specialty Chemicals Business.

Engineering Plastics

Overall market growth was under pressure during 2015-16 but the business posted improved performance amidst growing pressure on price. SRF continued to maintain its leadership in critical segments of automotive and electrical through persistent focus on key customers and applications, leveraging existing OEM relationships.

The business adopted a coherent strategy of enhancing the current product portfolio by developing new products for the new segments in close co-ordination with key OEMs, fostering long term relationships with customers and driving cost competitiveness to maintain market share during volatility.

Outlook

In spite of a moderate outlook in the automotive segment, the business plans to leverage its long term relationship with key customers to gain market share by entering into new applications by expanding its capacity and enhancing new product development infrastructure. Besides, the business continued to have a strong focus on gaining a foothold in international markets and maintaining domestic leadership.

Chemicals Technology Group

The Chemicals Technology Group (CTG) is actively engaged in the development of new products and process technologies for the Fluorochemicals and Specialty Chemicals businesses. Its key focus has been on development of intermediates for new Active Ingredients in Pharmaceutical & Agrochemical industries and new generation refrigerants.

Utilising synergetic efforts of chemists and engineers; two dedicated R&D facilities; state-of-the-art engineering lab and pilot plant facility; CTG is persistently working towards improving SRF's capabilities of process development, scale-up and commercialisation of new chemistries.

In order to cater to rising customer demands and shrinking timelines, CTG is expanding its focus on enhancing efficiencies of its resources. With a clear vision and keeping innovation, quality and productivity as the key drivers of success, CTG remains dedicated towards sustainable growth of SRF.

CTG made capital investments of about ₹ 31.5 crores during the year 2015-16 for Research & Development (R&D) labs and pilot plant expansion.

CTG filed 27 process patents during the year 2015-16 taking the tally to 81 patents filed so far.

Packaging Films Business

Flexible packaging industry continued to face the prolonged down cycle with global capacity utilisation at the level of around 70%, thus creating pressure on margins in all the markets. In addition, the continuous fall in crude prices led to a price fall in the entire value chain impacting the profitability. However, as a respite, the demand for flexible films continued to grow at a healthy pace of 6-7% during 2015-16.

In line with the company's strategy, all the units under

the Packaging Films Business were able to improve their cost structures and capabilities. Both the overseas units achieved 100% capacity utilisation on a sustainable basis. The value-added products (VAPs) remained a continuous focus area and the business posted a growth of around 30% in VAP sales during 2015-16 over the previous year. Overall, the business performed well even in a tough scenario, helping the company protect its reputation as a credible supplier of films with various Global majors across regions.

Outlook

Globally, demand for flexible films is expected to grow at nearly 6% per annum. In view of new capacities coming up, supply will continue to far exceed the demand and put further pressure on margins. Demand of flexible films in India is expected to grow by 10% per annum.

In view of the demand supply imbalance and global uncertainty, SRF's strategy would evolve around sustaining and continuously improving business performance, further enhancing its capabilities and successfully starting up the new BOPET film plant in India on time.

Human Resources

SRF attained some significant milestones in the year with respect to various organisation-wide HR initiatives. As part of key learning initiatives of the organisation, over 12000 man-hours of training was completed for 2015-16, a 25% increase over the previous year. With a special focus on **Capability Development**, a special project was undertaken defining Business Specific Capability Indicators which shall help organisation to measure and assess capability of the organisation in the years to come. The company also initiated a specific developmental intervention

for the various senior leadership team members during the year. Among other key HR initiatives taken during the year included a project to improve the **Quality of New Hires**, designing and deploying an **Early Warning System** that shall help the organisation predict a possible attrition, **Engagement Survey** for Management Cadre employees and an organisation wide **Employee Acknowledgement and Recognition System**.

Information Technology

SRF executed a wide range of IT Application projects, IT infrastructure upgrade projects and Information visibility projects this year. Specialty Chemicals deployed the **Project Portfolio Management** solution to help keep track of its various plant implementation projects and also meet customer commitments in supplying new products. **Customer Portal Solution** for some of the businesses, **Customer Complaint Management Solution** for Technical Textiles Business and Packaging Films Business **and Vehicle Tracking System** at the Dahej plant were some of the initiatives that the company deployed during the year in its effort to improve the operational efficiency, logistics and customer satisfaction. The company also revamped its website during the year with several new features and product related relevant information for different stakeholders.

SRF launched internal **Shared Services** this year which provides financial services to all business units in India. The IT document and workflow system which is the backbone for such initiatives was designed internally to enable the key processes. This initiative will provide productivity and quality benefits by standardising back office operations for the group.

The company upgraded its **Datacenter Network** with state-of-the-art equipment. This has eliminated all the single point of failure risks in the SRF network infrastructure apart from improving the speed for users significantly.

Community Partnerships

Continuing with its commitment to improve the quality of life of the communities, SRF, through its social wing SRF Foundation, took a wide spectrum of initiatives during 2015-16 in the identified areas of education, vocational skills, natural resource management and affirmative actions. The company also strengthened its public-private-community partnership (PPCP) model to positively impact the lives of the people.

The Foundation expanded its **Education Programme** to 1150 government schools in 1150 villages across 10 locations in Six States. The Programme, with a motto of **Quality Education for All**, strives to provide quality education to more than 130,000 students by working with more than 1600 teachers in all these government schools. The Foundation continued with its work towards improving infrastructure facilities under **School Education Programme**, promoting computer aided learning through **KidSmart Centres** and enrolling girls for residential learning under **Udaan** Programme.

Similarly, SRF Foundation took several new initiatives to improve the employability of people especially the younger generation from the disadvantaged communities by way of providing vocational skills for the communities in its plant locations. As part of its initiatives under **Natural Resource Management (NRM)** Programme, an initiative that aims at improving the livelihood of the poor people in the community around SRF's Bhiwadi plant, the Foundation has so far impacted more than 6,500 farmer families and improved their livelihood. During its 10 years of the NRM project intervention, the company has extensively worked for the soil and water conservation in the 38 project villages. Among other things, the company has constructed and revived more than 200 rainwater harvesting structures (earthen check dams, ponds etc.) for ground water recharge and has reclaimed 1751 hectares privately owned waste land till 2015-16 in its effort to support the sustainable livelihood of the rural poor and contribute towards the food security of the country.

Internal Control Systems & Adequacy

The company believes that Internal Control is a necessary concomitant of the principle of Governance. It remains committed to ensuring an effective Internal Control environment that provides assurance to the Board of Directors, Audit Committee and the management that there is a structured system for:

- Close and active supervision by the Audit Committee
- Business planning and review of goals achieved
- Evaluating & managing risks
- Ensuring reliability of financial and operational reporting
- Ensuring legal and regulatory compliance
- Protecting company's assets
- Prevention and detection of fraud and error
- Validation of IT Security Controls

Interrelated control systems, covering all financial and operating functions, assure fulfilment of these objectives.

The company uses Enterprise Resource Planning (ERP) supported by in-built controls that ensures reliable and timely financial reporting.

The company also has a robust & comprehensive framework of Control Self-Assessment (CSA) which continuously verifies compliance with laid down policies & procedures and help plug control gaps.

In the Indian business environment many laws and regulations have either undergone a change in the recent past, or are likely to change in the coming future. These changes are expected to have a far reaching impact on most companies in the way the companies conduct their businesses and are administered and account for various transactions. Companies Act 2013, the new

Accounting Standards, Direct Taxes Code, proposed Goods & Services Tax are some such regulatory changes which will require companies to re-assess at their processes and practices. The company has taken the required steps and is well prepared to meet these challenges in a smooth and timely manner.

Risk Management

The objective of SRF's risk management framework is to identify events that may adversely affect the company, and manage risks in order to provide reasonable assurance for achieving the company's objectives. The Board of Directors is apprised of the developments in risk management in the company on a periodic basis.

Strategic Risks

Strategic plans for the company's businesses take into account likely risks in the industrial environment from competition, changing customer needs, obsolescence and technological changes. Annual plans that are drawn up consider the risks that are likely to impact the company's objectives in that year, and the counter-measures put in place.

Operational Risks

SRF has a combination of well documented centrally issued policies & divisionally evolved procedures to manage operational risks. The company has a well-defined delegation of power and relies on a TQM system of control points, comprehensive budgetary controls and review systems to monitor its operations. In addition, internal audits verify compliance to defined policies and procedures.

Financial Risks

With a diverse business portfolio, SRF is exposed to numerous financial risks. These primarily emanate from foreign currency exchange risk from exports of its products, imports of raw material and capital goods and servicing of foreign currency debt. SRF follows a conservative foreign exchange risk management policy to minimise or eliminate the risks associated with operating activities.

The company has laid down detailed policy guidelines to deal with all aspects of financial risks viz. liquidity risks, credit risks and market risks.

Information Technology Risks

The company has set up adequate redundancy at the hardware and software levels in the mission critical information systems like the ERP to keep business going in the event of any disruption. As an additional precaution, regular backup of data is taken to prevent any data loss in these critical applications.

Regulatory Risks

The company has a robust & comprehensive framework of Compliance Manager (CM) which continuously verifies compliance with respect to various applicable laws and help to monitor the compliances across the company.

Financial and Accounting Risks

The company has well defined Accounting Manual and Financial & Accounting Policies in place. The company is ensuring the smooth transition to New Accounting Standards (Ind-As) to comply with the applicable rules and regulations.

CORPORATE GOVERNANCE REPORT

Philosophy of the Company on Corporate Governance

For SRF Limited (SRF), good corporate governance means adoption of best practices to ensure that the Company operates not only within the regulatory framework, but is also guided by broader business ethics. The adoption of such corporate practices — based on transparency and proper disclosures — ensures accountability of the persons in charge of the Company and brings benefits to investors, customers, creditors, employees and the society at large.

Board of Directors

Composition of the Board

As on March 31, 2016, SRF's Board consisted of 10 Directors, of which four are executives of the Company (including the Chairman, who is an Executive Chairman), one is non-executive & non-independent and five are independent. Table 1 gives the details of the Board during the year 2015-16.

Registrar and Share Transfer Agents

M/s Karvy Computershare Private Limited, Hyderabad are the Registrar and Share Transfer Agent of the Company for handling both electronic and physical shares.

Share Transfer System in Physical Mode

Share certificates sent for transfer are received at the Registered Office/Corporate Office of the Company or the office of Karvy Computershare Private Limited. All valid transfer requests are processed. To expedite the process of share transfer, Mr Anoop K Joshi, Company Secretary has been authorised to consider and approve the registration of transfer and transmission of shares/debentures upto a limit of 1,000 shares/debentures in any one case. For the cases for shares above 1,000, the Stakeholders Relationship Committee meets to approve valid transfer requests. After transfer, the physical shares are sent to the shareholders.

The total number of shares transferred in physical form during the period from April 1, 2015 to March 31, 2016 was 10734.

Depository System

Shareholders can trade in the Company's shares only in electronic form. The process for getting the shares de-materialised is as follows:

- Shareholder submits the shares certificate along with De-materialisation Request Form (DRF) to Depository Participant (DP)
- DP processes the DRF and generates a unique De-materialisation Request No
- DP forwards the DRF and share certificates to the Registrar and Share Transfer Agent (RTA)
- RTA after processing the DRF confirms or rejects the request to Depositories
- If confirmed by the RTA, depositories give the credit to shareholder in his/her account maintained with DP

This process takes approximately 10-15 days from the date of receipt of DRF.

As the trading in the shares of the Company can be done only in the electronic form, it is advisable that the shareholders who have the shares in physical form get their shares dematerialised.

FINANCIALS

Independent Auditor's Report

TO THE MEMBERS OF SRF LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **SRF LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under

Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016 and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

Attention is invited to Note 30(b) to the accompanying statement, which sets out the position of the demand for Central Sales Tax (CST), VAT and Entry Tax aggregating to ₹ 121.06 crores, including interest and penalty of ₹ 34.38 crores for the period from 2005 to 2013. The Company had filed writ petitions against such demand, on which, Hon'ble High Court of Madhya Pradesh ("Court") has granted stay. The Management is of the view which is also confirmed by legal opinion that Company has a good case on merits and is confident of getting relief from the Court and, accordingly, no provision has been created.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
- (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30 (a) to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses – Refer Note 32 (c) to the financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A" to the Independent Auditors' Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SRF Limited ("the Company") as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the

Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a programme of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.

In respect of immovable properties of land and buildings that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement except the following:

Particulars of the Immovable Properties	Gross Block (₹ in crores) 31.03.2016	Net Block (₹ in crores) 31.03.2016	Remarks
Leasehold land located at Dahej, Gujarat admeasuring 911336 square meters	71.80	71.80	Execution of lease deed in respect of leasehold land allotted to the Company by Gujarat Industrial Development Corporation at Dahej, Gujarat is pending (Refer Note 11 (v))
Leasehold land admeasuring 272109.50 square meters and building located at Malanpur, Madhya Pradesh	59.67	34.05	Conveyancing of buildings and other superstructures located at Company’s plant at Malanpur in the state of Madhya Pradesh including immovable machinery is linked to the Stamp Duty matter(Refer Note 30(a))

- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for stock lying with third parties and/or goods in transit for which confirmations have been obtained / subsequent receipts have been verified in most of the cases.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted from the public which have matured and are being reflected under “Unclaimed fixed deposits (including interest)”. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) According to the information and explanations given to us, in respect of statutory dues:

- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Works Contract Tax, Cess and other material statutory dues applicable to it to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Works Contract Tax, Cess and other material statutory dues in arrears as at 31st March, 2016 for a period of more than six months from the date they became payable.
- (c) Details of dues of Income-tax, Sales Tax, Value Added Tax, Service Tax, Excise Duty, Customs Duty and Cess which have not been deposited as on 31st March, 2016 on account of disputes are given below:

Notes Forming Part of the Financial Statements

for the year ended March 31, 2016

1. Significant Accounting Policies

(i) BASIS OF ACCOUNTING AND PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (“the 2013 Act”) as applicable. The financial statements have been prepared on accrual basis under the historical cost convention except for certain fixed assets that are carried at revalued amounts. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

The Ministry of Corporate Affairs has notified the Companies (Accounting Standards) Amendment Rules, 2016 vide its notification dated March 30, 2016. The said notification read with Rule 3(2) of the Companies (Accounting Standards) Rules, 2006 is applicable to accounting period commencing on or after the date of notification, i.e., April 01, 2016.

(ii) USE OF ESTIMATES

The preparation of financial statements in conformity with the Indian GAAP requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(iii) FIXED ASSETS

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation except for certain fixed assets which are revalued and are therefore, stated at their revalued book values. Cost of acquisition or construction is inclusive of freight, duties, taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets.

The Company has adopted the provisions of para 46A of AS 11 “The Effect of Changes in Foreign Exchange Rates”, accordingly exchange differences arising on restatement/settlement of long term foreign currency monetary items related to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

The basis for revaluation is current cost of depreciated assets at the time of revaluation. If the revaluation shows an increase in the value of a category of assets, the same is added to the historical value net of any decline in value of any asset of that category; any such decrease is expensed. The decline in value of any individual asset in a category is charged to revenue over the remaining useful life of that asset and further corresponding adjustment has been made on the amount withdrawn from the revaluation reserve uptill March 31, 2014.

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company’s fixed assets. If any indication exists, an asset’s recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately.

Capital Work in Progress: Project under which tangible/intangible fixed assets are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable interest.

(iv) DEPRECIATION AND AMORTISATION

- a. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.
- b. Depreciation on tangible fixed assets has been provided on the straight line method on the basis of useful life of assets determined by the Company which are different from the useful life as prescribed

in Schedule II of the 2013 Act. The useful life of the assets have been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc and are as under:

Roads	-	40 – 50 years
Buildings	-	30 – 60 years
Plant & Machinery	-	2 – 30 years
Furniture & Fixtures	-	15 years
Office Equipment	-	3 – 20 years
Vehicles	-	4.75 years

- c. Depreciation is calculated on a pro rata basis except that, assets costing upto ₹ 5,000 each are fully depreciated in the year of purchase.
- d. On assets sold, discarded, etc. during the year, depreciation is provided upto the date of sale/discard.
- e. In case of perpetual leases, no write off is made in respect of leasehold land and in other nature of leases, leasehold land is amortised over the period of the lease.
- f. Intangible assets are amortised over their estimated useful life considering the terms of the business purchase agreements on straight line method as follows:-

Goodwill	-	10 years
Trademarks/Brand	-	10 – 30 years
Technical Knowhow	-	10 – 30 years
Software	-	3 years
Other intangibles	-	2.5 – 10 years

(v) FOREIGN CURRENCY TRANSACTIONS AND TRANSLATIONS

Transactions in foreign currencies are recorded on initial recognition at the exchange rate prevailing on the date of the transaction.

Exchange differences arising on settlement/restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

The exchange differences arising on settlement/ restatement of long term foreign currency monetary items

are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period/upto the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and Loss. The unamortised exchange difference is carried in the Balance Sheet as "Foreign currency monetary item translation difference account" net of the tax effect thereon, where applicable.

The Company uses foreign exchange forward and option contracts to hedge its exposure to movements in foreign exchange rates relating to certain firm commitments and highly probable forecast transactions. The Company designates such contracts in a cash flow hedge relationship by applying the principles set out in Accounting Standard (AS) – 30 - "Financial Instruments: Recognition and Measurement".

Forward and option contracts are fair valued at each reporting date. The resultant gain or loss from these contracts that are designated and effective as hedges of future cash flows are recognised directly in Cash Flow Hedge Reserve under Reserves and Surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in Statement of Profit and Loss.

Amount accumulated in Cash Flow Hedge Reserve are reclassified to the Statement of Profit and Loss in the same periods during which the forecasted transaction affects the profit and loss.

Hedge Accounting is discontinued when the hedging instrument expires, or is sold or terminated or exercised or no longer qualifies for hedge accounting. Any cumulative gain or loss on the hedging instrument recognised in Cash Flow Hedge Reserve is retained there until the forecasted transaction occurs.

If the forecasted transaction is no longer expected to occur, the net cumulative gain or loss is immediately transferred from the Cash Flow Hedge Reserve to the Statement of Profit and Loss.

Contracts that are not designated as hedges of future cash flows are fair valued at each reporting date and the resultant gain or loss is recognised in the Statement of Profit and Loss.

(vi) RESEARCH & DEVELOPMENT

Expenditure on Research & Development of products is included under the natural heads of expenditure in the year in which it is incurred except which relate to development activities whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes. Such costs are capitalised if they can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and to use or sell the asset.

Capital expenditure on research and development includes the cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the asset for its intended use and is treated in the same manner as expenditure on other fixed assets and depreciated as per Company policy.

(vii) INVENTORIES

Inventories are valued at cost or net realisable value, whichever is lower. The basis of determining the cost for various categories of inventory are as follows:

Stores, spares and raw materials	-	Weighted average rate
Stock in trade, Stock in process and finished goods	-	Direct cost plus appropriate share of overheads and excise duty, wherever applicable
By products	-	At estimated realisable value

(viii) INVESTMENTS

Long term investments are valued at cost unless there is a decline in value other than temporary. Current investments are stated at lower of cost or fair value.

(ix) EMPLOYEE BENEFITS

Company's contributions paid/payable during the year to provident fund administered through Regional Provident Fund Commissioner, Superannuation Fund and Employees' State Insurance Corporation are recognised in the Statement of Profit and Loss.

Provision for gratuity, compensated absences, provident fund for certain category of employees administered through a recognised provident fund trust and long term retention pay are determined on an actuarial basis at the end of the year and charged to Statement of Profit and Loss for each year.

(x) BORROWING COSTS

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.

(xi) PROVISIONS AND CONTINGENT LIABILITIES

The Company recognised a provision when there is a present obligation as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(xii) REVENUE RECOGNITION

Sale of goods is recognised, net of returns and trade discounts on the transfer of significant risks and rewards of ownership to the buyer which generally coincides with the dispatch of goods to customers. Gross sales are inclusive of excise duty and net of value added tax/sales tax.

Other income includes interest income which is accounted on accrual basis, dividend income is accounted for when the right to receive is established.

(xiii) RESERVES

- Revaluation reserve represents the difference between the revalued amount of the assets and the written down value of the assets on the date of revaluation net of withdrawals therefrom.
- Capital receipts are credited to capital reserve.
- Cash flow hedge reserve represents the gain or loss arising out of adjusting the hedging instruments to market net of applicable deferred income taxes.

(xiv) TAXATION

- a. The income tax liability is provided in accordance with the provisions of the Income-tax Act, 1961.
- b. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.
- c. Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

*** Amount deposited ₹ 0.08 crores (Previous Year – Nil)

**** Amount deposited ₹ 3.38 crores (Previous Year – ₹ 4.32 crores)

***** In the matter of acquisition of the Tyrecord Division at Malanpur from CEAT Limited the Collector of Stamps, Bhind (Madhya Pradesh) has by his order dated 07.11.2001 assessed the value of the subject matter of the Deed of Conveyance dated 13.06.1996 at ₹ 303.00 crores and levied a stamp duty of ₹ 23.73 crores and imposed a penalty of ₹ 5.09 crores. The said demand was challenged before the Hon'ble High Court of Madhya Pradesh Bench at Gwalior. The Hon'ble High Court of Madhya Pradesh accepted the case of the Company that the subject matter of the Deed of Conveyance dated 13.06.1996 is only the superstructures valued at ₹ 27.76 crores and not the entire undertaking valued at ₹ 303.00 crores as claimed by the State. Consequently, the Hon'ble High Court of Madhya Pradesh quashed the order and demands issued by the Collector of Stamps, Bhind (Madhya Pradesh) and allowed the writ petition by an order dated 29th November 2004. Against the said order, the State of Madhya Pradesh preferred a Special Leave Petition before the Hon'ble Supreme Court which the State of Madhya Pradesh has withdrawn to enable it to approach the Hon'ble High Court of Madhya Pradesh at Gwalior in view of the change in law in the State of Madhya Pradesh relating to Letters Patent Appeal.

@ As per Business Transfer Agreement with KAMA Holdings Limited, the liabilities of ₹ 20.64 crores (Previous Year – ₹ 20.64 crores) and ₹ 0.38 crores (Previous Year – ₹ 0.38 crores) respectively towards Excise Duty and Sales tax are covered under Representations and Warranties.

All the above matters are subject to legal proceedings in the ordinary course of business. In the opinion of the management, the legal proceedings, when ultimately concluded, will not have a material effect on the results of the operations or financial position of the Company.

b. The Company had received demand for payment of Central Sales Tax (CST), Value Added Tax (VAT) and Entry Tax aggregating to ₹ 121.06 crores (Previous Year : ₹ 111.38 crores) including interest and penalty of ₹ 34.38 crores (Previous Year : ₹ 34.38 crores) for the period from 2005 to 2013 in respect of sales from its manufacturing facility in Special Economic Zone (SEZ) in Madhya Pradesh to the Domestic Tariff Area (DTA). The Company had already paid on the same products ₹ 51.37 crores as Additional Countervailing Duty (ACVD) to the Central Government, based on Company's view that ACVD was payable as per extant policies and Legislations of the Centre and the State.

The Company had filed writ petitions against all such demands, on which Hon'ble High Court of Madhya Pradesh ("Court") has granted stay. The Management is of the view which is also confirmed by legal opinion that Company has a good case on merits and is confident of getting relief from the Court and, accordingly, no provision has been created.

37. Employee Benefits

The Company has classified various benefits provided to employees as under:

i) Defined contribution plans

- Superannuation fund
- Provident fund administered through Regional Provident Fund Commissioner
- Employees' State Insurance Corporation

The expenses incurred on account of the above benefits have been included in Note 26 "Employee Benefits Expenses" under the head "Contribution to provident and other funds"

ii) Defined benefit plans

- a) Gratuity
- b) Compensated absences – earned leaves
- c) Provident fund for certain category of employees administered through a recognised provident fund trust

In accordance with Accounting Standard (AS) – 15 (Revised 2005), actuarial valuation was obtained from the actuary in respect of the aforesaid defined benefit plans using Projected Unit Credit Method. The details of the same are as follows:-

Long term retention pay

The Company has a Long Term Retention Pay Plan. The plan covers employees selected on the basis of their current band and their long term value to the Company. The incentive is payable in three year blocks which commenced from financial year 2010-11 subject to achievement of certain performance ratings. The Company also has a scheme for talent retention of certain identified employees under which an incentive is payable over a period of three years. Based on actuarial valuation, the Company has accrued ₹ 3.06 crores (Previous Year – ₹ 3.33 crores) towards these plans till March 31, 2016.

Superannuation - Defined Contribution Plan where contributions are made to a Trust which in turn contributes to ICICI Prudential Life Insurance Company Limited

Apart from being covered under the Gratuity Plan described above, the employees of the Company also participate in a defined contribution superannuation plan maintained by the Company. The Company has no further obligations under the plan except making annual contributions based on a specified percentage of each covered employee's salary. From 1st November, 2006, the Company provided an option to the employees to receive the said benefit as cash compensation along with salary in lieu of the superannuation benefit. Thus, no contribution is required to be made for the category of employees who opted to receive the benefit in cash.

Provident fund

In addition to the above benefits, all employees are entitled to Provident Fund benefits as per the law. For certain category of employees the Company administers the benefits through a recognised Provident Fund Trust. For other employees contributions are made to the Regional Provident Fund Commissioners as per law. The Government mandates the annual yield to be provided to the employees on their corpus. This plan is considered as a Defined Contribution Plan. For the first category of employees (covered by the Trust), the Company has an obligation to make good the shortfall, if any, between the yield on the investments of the trust and the yield mandated by the Government and these are considered as Defined Benefit Plans accounted for on the basis of an actuarial valuation. The details of the valuation are as below:

38. Segment Reporting

A. Business Segments

Based on the guiding principles laid down in Accounting Standard (AS) - 17 "Segment Reporting", the Company's business segments include:

- Technical Textiles business: includes nylon tyre cord fabric, belting fabric, coated fabric, laminated fabric, polyester tyre cord fabric and industrial yarns and its research and development
- Chemicals and Polymers business: includes refrigerant gases, chloromethanes, pharmaceuticals, fluorochemicals & allied products, engineering plastics business and its research and development.
- Packaging Film Business includes polyester films.

Segment revenue, Results and Capital Employed include the respective amounts identifiable to each of the segments. Other unallocable expenditure includes expenses incurred on common services provided to the segments, which are not directly identifiable.

In addition to the significant accounting policies applicable to the business segments as set out in note 1 above, the accounting policies in relation to segment accounting are as under:

a) Segment revenue and expenses

Joint revenue and expenses of segments are allocated amongst them on a reasonable basis. All other segment revenue and expenses are directly attributable to the segments.

b) Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions, which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities and do not include deferred income taxes. While most of the assets/liabilities can be directly attributed to individual segments, the carrying amount of certain assets/liabilities pertaining to two or more segments are allocated to the segments on a reasonable basis.

Independent Auditor's Report

TO THE MEMBERS OF SRF LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of SRF LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are

required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2016 and their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

Attention is invited to Note 30(b) to the accompanying statement, which sets out the position of the demand for Central Sales Tax (CST), VAT and Entry Tax aggregating to ₹ 121.06 crores, including interest and penalty of ₹ 34.38 crores for the period from 2005 to 2013. The Company had filed writ petitions against

such demand, on which, Hon'ble High Court of Madhya Pradesh ("Court") has granted stay. The Management is of the view which is also confirmed by legal opinion that Company has a good case on merits and is confident of getting relief from the Court and, accordingly, no provision has been created.

Our opinion is not modified in respect of this matter.

Other Matter

We did not audit the financial statements of subsidiaries viz., SRF Overseas Limited, SRF Industries (Thailand) Limited, SRF Industex Belting (Pty) Limited, SRF Flexipak (South Africa) (Pty) Limited, SRF Holiday Home Limited, SRF Global BV, SRF Energy Limited and SRF Fluorochemicals Limited whose financial statements reflect total assets of ₹ 1087.86 crores as at 31st March, 2016, total revenues of ₹ 947.33 crores and net cash inflows amounting to ₹ 17.53 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
- e. On basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the auditors' reports of the Holding Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding Company's and its subsidiary companies' incorporated in India internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 30 (a) to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts – Refer Note 32 (b) to the consolidated financial statements.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2016, we have audited the internal financial controls over financial reporting of SRF Limited (hereinafter referred to as “the Holding Company”) and its subsidiary company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company incorporated in India, in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion

or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one subsidiary company incorporated in India, is based on the corresponding reports of the auditors of such company incorporated in India.

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2016

1. Significant Accounting Policies

(i) BASIS OF ACCOUNTING AND PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements of the Company and its subsidiaries (together the Group) have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable. The consolidated financial statements have been prepared on accrual basis under the historical cost convention except for certain fixed assets acquired that are carried at revalued amounts. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

The Ministry of Corporate Affairs has notified the Companies (Accounting Standards) Amendment Rules, 2016 vide its notification dated March 30, 2016. The said notification read with Rule 3(2) of the Companies (Accounting Standards) Rules, 2006 is applicable to accounting period commencing on or after the date of notification, i.e., April 01, 2016.

a) Principles of consolidation:

The consolidated financial statements relate to SRF Limited ('the Company') and its subsidiary companies.

b) The subsidiaries considered in the preparation of these consolidated financial statements are:

The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra-group transactions resulting in unrealized profit or losses.
- The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- The excess of cost to the company of its investment in a subsidiary company over the Company's portion of the equity of the subsidiary at the date on which investment in subsidiary is made is recognised in the financial statements as goodwill.
- Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
- Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.

The Company owns 22.60% (Previous year – 22.60%) in Malanpur Captive Power Limited and the same has not been considered for the purposes of consolidation, since the Company does not exercise significant influence over Malanpur Captive Power Limited.

The Company owns 26.32% (Previous year – 26.32%) in Vaayu Renewable Energy (Tapti) Private Limited and the same has not been considered for the purposes of consolidation, since the Company does not exercise significant influence over Vaayu Renewable Energy (Tapti) Private Limited.

(ii) USE OF ESTIMATES

The preparation of Consolidated financial statements in conformity with the Indian GAAP requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(iii) FIXED ASSETS

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation except for certain fixed assets which are revalued and are therefore, stated at their revalued book values. Cost of acquisition or construction is inclusive of freight, duties, taxes,

incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets.

The Company has adopted the provisions of para 46A of AS 11 “The Effect of Changes in Foreign Exchange Rates”, accordingly exchange differences arising on restatement/ settlement of long term foreign currency monetary items related to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

The basis for revaluation is current cost of depreciated assets at the time of revaluation. If the revaluation shows an increase in the value of a category of assets, the same is added to the historical value net of any decline in value of any asset of that category; any such decrease is expensed. The decline in value of any individual asset in a category is charged to revenue over the remaining useful life of that asset and further corresponding adjustment has been made on the amount withdrawn from the revaluation reserve uptill March 31, 2014.

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately.

Capital Work in Progress: Project under which tangible/intangible fixed assets are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable interest.

(iv) DEPRECIATION AND AMORTISATION

a. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

b. Depreciation on tangible fixed assets has been provided on the straight line method on the basis of useful life of assets determined by the Company which are different from the useful life as prescribed in Schedule II of 2013 Act. The useful life of the assets have been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc and are as under:

Roads		40 – 50 years
Buildings	-	30 – 60 years
Plant & Machinery	-	2 – 30 years
Furniture & Fixtures	-	15 years
Office Equipment	-	3 – 20 years
Vehicles	-	4.75 years

c. Depreciation is calculated on a pro rata basis except that, assets costing upto ₹ 5,000 each are fully depreciated in the year of purchase.

d. On assets sold, discarded, etc. during the year, depreciation is provided upto the date of sale/discard.

e. In case of perpetual leases, no write off is made in respect of leasehold land and in other nature of leases, leasehold land is amortised over the period of the lease.

f. Intangible assets are amortised over their estimated useful life considering the terms of the business purchase agreements on straight line method as follows:

Goodwill	-	10 years
Trademarks/Brand	-	10 – 30 years
Technical Knowhow	-	10 – 30 years
Software	-	3 years
Other intangibles	-	2.5 – 10 years

(v) FOREIGN CURRENCY TRANSACTIONS AND TRANSLATIONS

Transactions in foreign currencies are recorded on initial recognition at the exchange rate prevailing on the date of the transaction.

Exchange differences arising on settlement/restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

The exchange differences relating to non-integral foreign operations are accumulated in a “Foreign currency translation reserve”.

The exchange differences arising on settlement/restatement of long term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period/upto the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and Loss. The unamortised exchange difference is carried in the Balance Sheet as “Foreign currency monetary item translation difference account” net of the tax effect thereon, where applicable.

The Company uses foreign exchange forward and option contracts to hedge its exposure to movements in foreign exchange rates relating to certain firm commitments and highly probable forecast transactions. The Company designates such contracts in a cash flow hedge relationship by applying the principles set out in Accounting Standard (AS) – 30 - “Financial Instruments: Recognition and Measurement”.

Forward and option contracts are fair valued at each reporting date. The resultant gain or loss from these contracts that are designated and effective as hedges of future cash flows are recognised directly in Cash Flow Hedge Reserve under Reserves and Surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in Statement of Profit and Loss.

Amount accumulated in Cash Flow Hedge Reserve are reclassified to the Statement of Profit and Loss in the same periods during which the forecasted transaction affects the profit and loss.

Hedge Accounting is discontinued when the hedging instrument expires, or is sold or terminated or exercised or

no longer qualifies for hedge accounting. Any cumulative gain or loss on the hedging instrument recognised in Cash Flow Hedge Reserve is retained there until the forecasted transaction occurs.

If the forecasted transaction is no longer expected to occur, the net cumulative gain or loss is immediately transferred from the Cash Flow Hedge Reserve to the Statement of Profit and Loss.

Contracts that are not designated as hedges of future cash flows are fair valued at each reporting date and the resultant gain or loss is recognised in the Statement of Profit and Loss.

(vi) RESEARCH & DEVELOPMENT

Expenditure on research and development of products is included under the natural heads of expenditure in the year in which it is incurred except which relate to development activities whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes. Such costs are capitalised if they can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and to use or sell the asset.

Capital expenditure on research and development includes the cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the asset for its intended use and is treated in the same manner as expenditure on other fixed assets and depreciated as per Company policy.

(vii) INVENTORIES

Inventories are valued at cost or net realisable value, whichever is lower. The basis of determining the cost for various categories of inventory are as follows:

Stores, spares and raw materials	-	Weighted average rate
Stock in trade, Stock in process and finished goods	-	Direct cost plus appropriate share of overheads and excise duty, wherever applicable
By products	-	At estimated realisable value

(viii) INVESTMENTS

Long term investments are valued at cost unless there is a decline in value other than temporary. Current investments are stated at lower of cost or fair value.

(ix) EMPLOYEE BENEFITS

Company's contributions paid/payable during the year to provident fund administered through Regional Provident Fund Commissioner, Superannuation Fund and Employees' State Insurance Corporation are recognised in the Statement of Profit and Loss.

Provision for gratuity, compensated absences, provident fund for certain category of employees administered through a recognised provident fund trust and long term retention pay are determined on an actuarial basis at the end of the year and charged to Statement of Profit and Loss for each year.

(x) BORROWING COSTS

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.

(xi) PROVISIONS AND CONTINGENT LIABILITIES

The Company recognised a provision when there is a present obligation as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(xii) REVENUE RECOGNITION

Sale of goods is recognised, net of returns and trade discounts on the transfer of significant risks and rewards of

ownership to the buyer which generally coincides with the dispatch of goods to customers. Gross sales are inclusive of excise duty and net of value added tax/sales tax.

Other income includes interest income which is accounted on accrual basis, dividend income is accounted for when the right to receive is established.

(xiii) RESERVES

- Revaluation reserve represents the difference between the revalued amount of the assets and the written down value of the assets on the date of revaluation net of withdrawals therefrom.
- Capital receipts are credited to capital reserve.
- Cash flow hedge reserve represents the gain or loss arising out of adjusting the hedging instruments to mark to market net of applicable deferred income taxes.

(xiv) TAXATION

- The income tax liability is provided in accordance with the provisions of the Income-tax Act, 1961.

- Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.
- Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

*** Amount deposited ₹ 0.08 crores (Previous Year – Nil)

**** Amount deposited ₹ 3.38 crores (Previous year – ₹ 4.32 crores)

***** In the matter of acquisition of the Tyrecord Division at Malanpur from CEAT Limited the Collector of Stamps, Bhind (Madhya Pradesh) has by his order dated 07.11.2001 assessed the value of the subject matter of the Deed of Conveyance dated 13.06.1996 at ₹ 303.00 crores and levied a stamp duty of ₹ 23.73 crores and imposed a penalty of ₹ 5.09 crores. The said demand was challenged before the Hon'ble High Court of Madhya Pradesh Bench at Gwalior. The Hon'ble High Court of Madhya Pradesh accepted the case of the Company that the subject matter of the Deed of Conveyance dated 13.06.1996 is only the superstructures valued at ₹ 27.76 crores and not the entire undertaking valued at ₹ 303.00 crores as claimed by the State. Consequently, the Hon'ble High Court of Madhya Pradesh quashed the order and demands issued by the Collector of Stamps, Bhind (Madhya Pradesh) and allowed the writ petition by an order dated 29th November 2004. Against the said order, the State of Madhya Pradesh preferred a Special Leave Petition before the Hon'ble Supreme Court which the State of Madhya Pradesh has withdrawn to enable it to approach the Hon'ble High Court of Madhya Pradesh at Gwalior in view of the change in law in the State of Madhya Pradesh relating to Letters Patent Appeal.

@ As per Business Transfer Agreement with KAMA Holdings Limited, the liabilities of ₹ 20.64 crores (Previous Year – ₹ 20.64 crores) and ₹ 0.38 crores (Previous Year – ₹ 0.38 crores) respectively towards Excise Duty and Sales tax are covered under Representations and Warranties.

All the above matters are subject to legal proceedings in the ordinary course of business. In the opinion of the management, the legal proceedings, when ultimately concluded, will not have a material effect on the results of the operations or financial position of the Company.

b. The Company had received demand for payment of Central Sales Tax (CST), Value Added Tax (VAT) and Entry Tax aggregating to ₹ 121.06 crores (Previous Year : ₹ 111.38 crores) including interest and penalty of ₹ 34.38 crores (Previous Year : ₹ 34.38 crores) for the period from 2005 to 2013 in respect of sales from its manufacturing facility in Special Economic Zone (SEZ) in Madhya Pradesh to the Domestic Tariff Area (DTA). The Company had already paid on the same products ₹ 51.37 crores as Additional Countervailing Duty (ACVD) to the Central Government, based on Company's view that ACVD was payable as per extant policies and Legislations of the Centre and the State.

The Company had filed writ petitions against all such demands, on which Hon'ble High Court of Madhya Pradesh ("Court") has granted stay. The Management is of the view which is also confirmed by legal opinion that Company has a good case on merits and is confident of getting relief from the Court and, accordingly, no provision has been created.

c. Liability on account of Bank Guarantees ₹ 13.25 crores (Previous Year – ₹ 10.99 crores)

d. Guarantees given to banks for repayment of financial facilities availed by others – ₹ 2.50 crores (Previous Year – ₹ 2.50 crores). Outstanding amount as at the year-end is Nil (Previous Year – ₹ 0.87 crores).

- e. The Company has been served with show cause notices regarding certain transactions as to why additional customs/excise duty/service tax amounting to ₹ 38.88 crores (Previous Year – ₹ 29.11 crores) should not be levied. The Company has been advised that the contention of the department is not tenable and hence the show cause notice may not be sustainable.
- f. The Company has entered into agreements with banks for assignment of trade receivables to them for value upto a maximum limit of ₹ 329.18 crores. The assigned receivables as at the year end is ₹ 160.35 crores (Previous Year – ₹ 95.24 crores)

31. The details of dues of Income-tax, Sales Tax, Value Added Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty and Cess which have not been deposited as on March 31, 2016 on account of disputes are given below:

36. Employee Benefits

The Company has classified various benefits provided to employees as under:

i) Defined contribution plans

- Superannuation fund
- Provident fund administered through Regional Provident Fund Commissioner
- Employees' State Insurance Corporation

The expenses incurred on account of the above benefits have been included in Note 26 "Employee Benefits Expenses" under the head "Contribution to provident and other funds"

ii) Defined benefit plans

- Gratuity
- Compensated absences – earned leaves
- Provident fund for certain category of employees administered through a recognised provident fund trust
- Legal severance pay, unutilized leave benefit and health care benefit as applicable with respect to foreign subsidiaries

In accordance with Accounting Standard (AS) – 15 (Revised 2005), actuarial valuation was obtained from the actuary in respect of the aforesaid defined benefit plans using Projected Unit Credit Method. The details of the said demographic assumptions are as follows:-

Long term retention pay

The Company has a Long Term Retention Pay Plan. The plan covers employees selected on the basis of their current band and their long term value to the Company. The incentive is payable in three year blocks which commenced from financial year 2010-11 subject to achievement of certain performance ratings. The Company also has a scheme for talent retention of certain identified employees under which an incentive is payable over a period of three years. Based on actuarial valuation, the Company has accrued ₹ 3.06 crores (Previous Year – ₹ 3.33 crores) towards these plans till March 31, 2016.

Superannuation - Defined Contribution Plan where contributions are made to a Trust which in turn contributes to ICICI Prudential Life Insurance Company Limited

Apart from being covered under the Gratuity Plan described above, the employees of the Company also participate in a defined contribution superannuation plan maintained by the Company. The Company has no further obligations under the plan except making annual contributions based on a specified percentage of each covered employee's salary. From 1st November, 2006, the Company provided an option to the employees to receive the said benefit as cash compensation along with salary in lieu of the superannuation benefit. Thus, no contribution is required to be made for the category of employees who opted to receive the benefit in cash.

Provident Fund

In addition to the above benefits, all employees are entitled to Provident Fund benefits as per the law. For certain category of employees the Company administers the benefits through a recognised Provident Fund Trust. For other employees contributions are made to the Regional Provident Fund Commissioners as per law. The Government mandates the annual yield to be provided to the employees on their corpus. This plan is considered as a Defined Contribution Plan. For the first category of employees (covered by the Trust), the Company has an obligation to make good the shortfall, if any, between the yield on the investments of the trust and the yield mandated by the Government and these are considered as Defined Benefit Plans accounted for on the basis of an actuarial valuation. The details of the valuation are as below:

37. Segment Reporting

A. Business segments

Based on the guiding principles laid down in Accounting Standard (AS) - 17 "Segment Reporting", the Company's business segments include:

- Technical Textiles business: includes nylon tyre cord fabric, belting fabric, coated fabric, laminated fabric, polyester tyre cord fabric and industrial yarns and its research and development
- Chemicals and Polymers business: includes refrigerant gases, chloromethanes, pharmaceuticals, fluorochemicals & Allied products, Engineering Plastics business and its research and development.
- Packaging Film Business includes Polyester Films.

Segment revenue, Results and Capital Employed include the respective amounts identifiable to each of the segments. Other unallocable expenditure includes expenses incurred on common services provided to the segments, which are not directly identifiable.

In addition to the significant accounting policies applicable to the business segments as set out in note 1 above, the accounting policies in relation to segment accounting are as under:

a) Segment revenue and expenses

Joint revenue and expenses of segments are allocated amongst them on a reasonable basis. All other segment revenue and expenses are directly attributable to the segments.

b) Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions, which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities and do not include deferred income taxes. While most of the assets/liabilities can be directly attributed to individual segments, the carrying amount of certain assets/liabilities pertaining to two or more segments are allocated to the segments on a reasonable basis.

38. Foreign Currency Exposure

SRF has three diverse businesses with transactions both in the nature of imports and exports. This provides a natural hedge against the exchange rate fluctuations. As per the board mandated policy, hedging is done on basis of net exposure. Further, with respect to volatility in interest rates, certain hedging transactions are entered into by the company. Various kind of instruments are used for hedging which are mandated as per regulatory requirements and board guidelines.
